Hello,

It is with great appreciation that I thank you for attending the Be The Change Summit. From all indications it was a success for both the teen leaders who attended and the adults present. Your assistance throughout the day contributed to the overall flow of the day and resulted in a memorable experience.

Attached are the survey results for you to browse through. The responses reflect exceptional interest in the topic and confidence to share the message themselves. When you look through the feedback, they enjoyed and appreciated activities allowing them to interact with Community Champions.

We hope to continue the networking which the Be The Change Summit launched. If you are interested in receiving more in-depth training on the Impact Teen Drivers programs, visit the Impact Teen Drivers webinar training schedule at [Webinar Training > – Impact Teen Drivers](#) or email [infor@ImpactTeenDrivers.org](mailto:infor@ImpactTeenDrivers.org) to learn about in-person training.

There are many directions the student leaders can choose as they become Changemakers for their schools and communities. Thank you for being an adult mentor and community contact to help guide them in their missions. Direct your Changemakers to the [Impact Teen Drivers website](#) to review program information, view videos, and learn more about how to Get Involved.

Looking forward to future collaboration
